# Project 5

Demarco Guajardo
Seungheon Kim
Subeen Kim

# Introduction

Our Group : Group #15

Project Overview: Analyzing the functionalities and processes embedded

within delivery applications, such as DoorDash.

Objective: Achieving a comprehensive understanding of its operational mechanisms
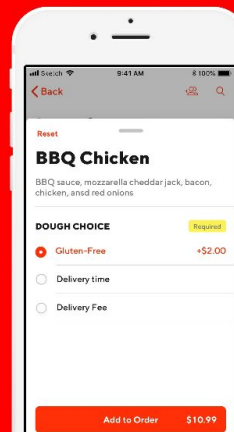

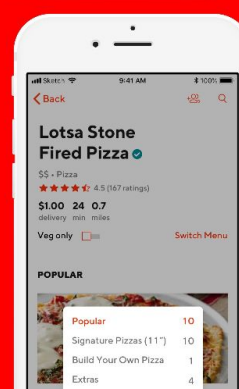

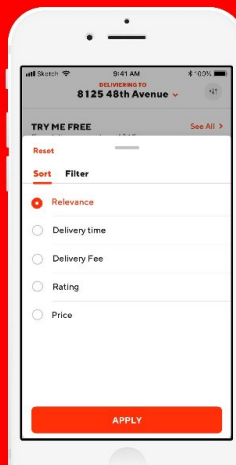

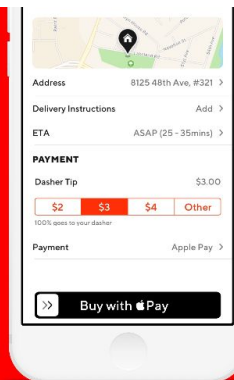

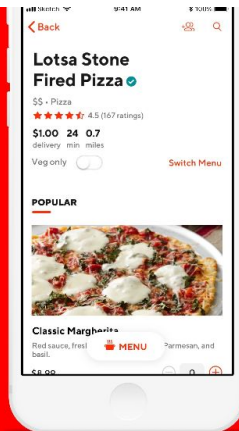

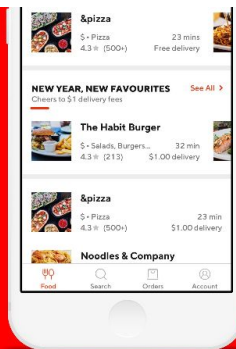

# What is DoorDash?

## Your Door to More

At DoorDash, our mission is to empower and grow local economies by opening the doorways that connect us to each other. When consumers get their goods, local merchants get business, and Dashers get paid.
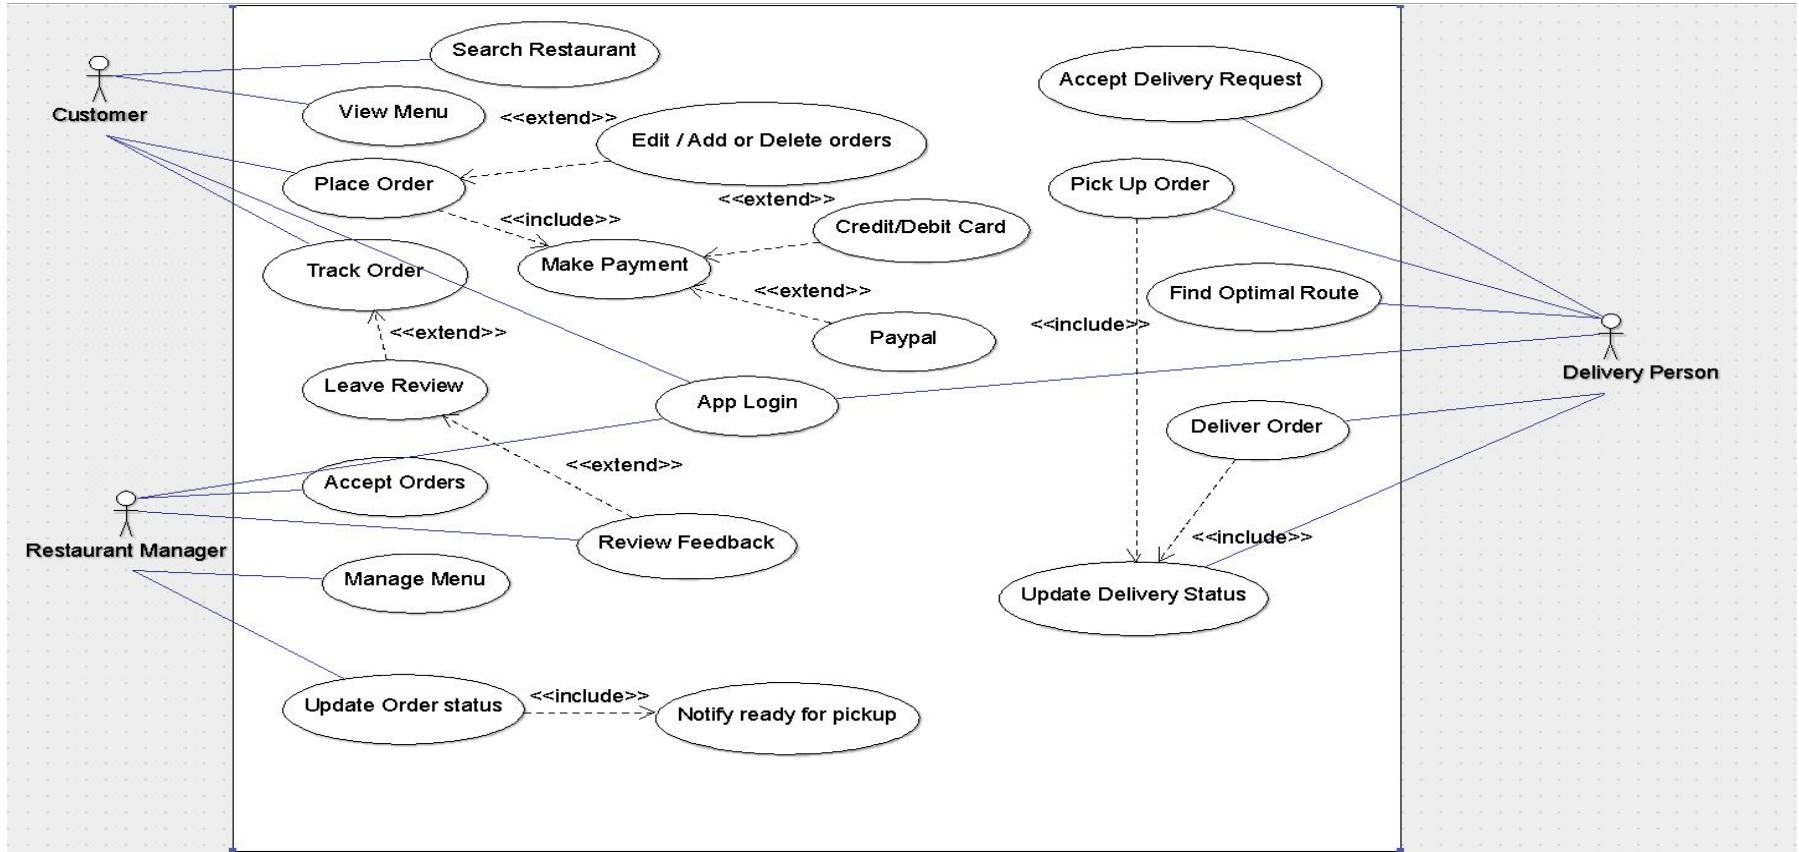

Get thousands of restaurants, convenience stores, pet stores, grocery stores, and more at your fingertips.
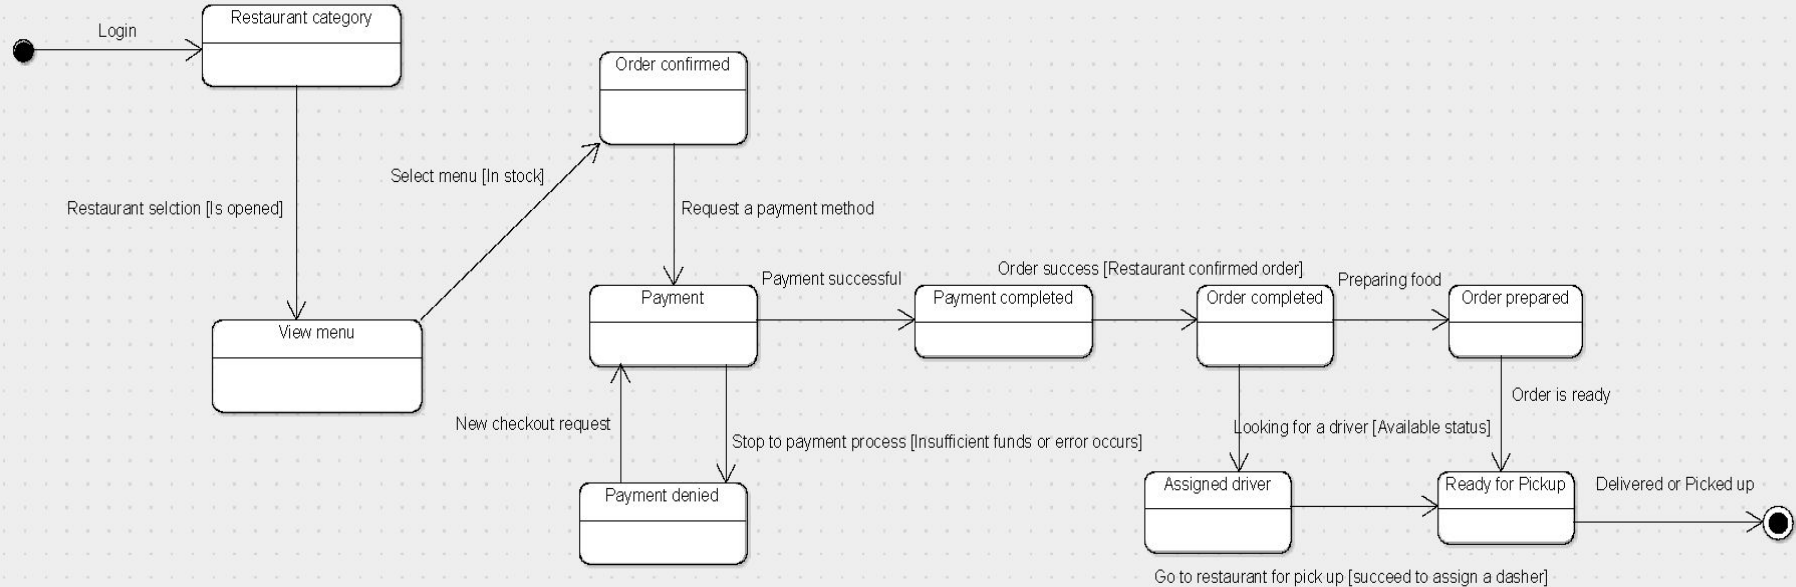

# Why did we choose DoorDash?

# Interaction between customers/restaurant/delivery person (Use-Case Diagram)

# Order and Service Management System (State diagram)

# Ways to Improve DoorDash

- Real-Time Restaurant Busyness Indicator
- 'Upcoming Offers' event category
- Add a like button
- Loyalty Rewards Program
